THE MAN THAT THINKS.

The man that thinks, lays out his plans and studies well what he ought to do and then puts it into practice is generally the man that gets there. The man who thinks before he buys of what he wants, generally gets about what he wants.

A great many of the people are thinking of what the harvest will be, and undoubtedly their attention is called directly to it by the number of machine agents that are pestering them every day, collaring them on the street, button-holing them on their farms and talking continually to them about their machines while they are eating their grub, and sometimes they wake up hearing them talking in their sleep saying: I am going to sell the old man a machine anyway.

THE MAN THAT THINKS THE MOST gets the most out of his thoughts, and when he does this he undoubtedly will buy the Hodge header or the Craver or Harvester King header and binder combined. Now don't you think so? They have been on the market the longest, some have been in use in this country for over twenty years, they have been improved with all necessary improvements they should have, and more of them are used 10 to 1 than any other header. Isn't that a good argument that they are all right?

LEAVE YOUR ORDER NOW for the Hodge, Craver or Harvester King header with either our agent or The E. R. Moses Merc. Co. and you will be protected, prices will be guaranteed and if the crops are a failure you need not take the machine, and you know above all that you will be taken care of if anything is wrong, if a man is needed, if a bolt gives way, or any piece breaks we will be right there to take care of you. Our machines are more perfect than any other and need the least attention, yet even the best may now and then need our attention.

A GREAT MANY ARE THINKING and some are giving their orders for binders, claiming they can get in the harvest field three or four days ahead of headers and can cut and bind 100 to 200 acres of grain before they commence cutting with the headers. Now we sell the Wood, Osborne, Champion and Queen, all of which will give you the best satisfaction and will be as low as the lowest, in fact we can sell you some of these binders \$10.00 cheaper than ever before.

JUST RECEIVED a car load of barb wire. It is constantly going up and is an article hard to get, yet we have made up our minds to sell it to you as cheap or cheaper than before, whether we make anything out of it or not. So please see us when you want some barb wire.

WE WANT to call your attention just for a moment, to the following articles and say to you don't pass us by when you want any of them because we are better prepared than ever to give you the best goods for the least money, and if it don't prove to be so we will take it back. We are closing out some new walking listers for \$19.00 and riding listers for \$26.00 guaranteed to work in every respect.

We have been fortunate in buying cultivators and can sell them to you at the very lowest prices.

When you want to make your house look nice and clean, and fresh, don't forget the three kinds of paint that we sell mixed with the genuine linseed oil and colored with the best coloring that will last as long as paint, and we guarantee it to last from three to five years, and some has lasted seven or more.

WE WILL CALL YOUR ATTENTION just a moment to the fact that we have a larger stock than ever of furniture, carpets, curtains, rugs, pianos, organs, smaller musical instruments, wall paper, and let us say that you can get a better selection of wall paper than ever before as we are keeping a large stock and the very latest patterns.

When you want anything in the line of hardware, nails, locks, stoves, dishes, watches, clocks, jewelry, sewing machines, buggies, carriages, phaetons, wagons, harness, anything that goes to make up a complete outfit on the farm or in the house, see us and get our prices.

Yours Truly,
THE E. R. MOSES MERC. CO.

Here is a little puzzle that can be easily figured out. "A man with 75 cents in his pocket, was compelled to raise a dollar. So he pawned his 75 cents for 50 cents, and then sold his pawn ticket to a friend for 50 cents, thus securing the dollar needed. Who lost money by the transaction?"

Thos. Alley, a Saline county farmer, claims to have guessed right on the corn crop for the past 20 years. He says that prospects are very favorable for a large yield this year.

The mocking birds are now doing their nightly stunt, and the M. F. church woodpecker is drilling away on that galvanized spire.

The City Council.

The old city council met last Friday night, in adjourned session, and wound up its year's business. Reports were had from the treasurer, clerk and police judge. The bill of Dr. Connett, \$100, for services on the city board of health, was rejected. The election bills, amounting to \$169, were allowed, and the old council then swore in F. B. Newcombe from 4th ward and L. J. Barker from the 2d ward, and accepted the resignation of Councilman Aber. Mr. Aber was then sworn in as mayor, and the new council organized by the election of Councilman John Durkin as president of the council, Mayor Aber then appointed the following standing committees for the ensuing year:

FINANCE—Clayton, Schaeffer and Durkin.
IMPROVEMENT—Schaeffer, Clayton and Dale.
FIRE AND LIGHT—Shore, Newcombe and Barker.
PARK—Durkin, Schaeffer and Dale.
ORDINANCE—Shore, Dale and Newcombe.
HEALTH—Schaeffer, Clayton and Barker.

Under the law the City Attorney, City Clerk, City Assessor, and Street Commissioner are not to be appointed until the regular meeting in May. The council adjourned, to meet on the first Monday in May.

AUGUST GARLING.

Rheumatism.

Nobody knows all about it; and nothing, now known, will always cure it.

Doctors try Scott's Emulsion of Cod Liver Oil, when they think it is caused by imperfect digestion of food. You can do the same.

It may or may not be caused by the failure of stomach and bowels to do their work. If it is, you will cure it; if not, you will do no harm.

The way, to cure a disease is to stop its cause, and help the body get back to its habit of health.

When Scott's Emulsion of Cod Liver Oil does that, it cures; when it don't, it don't cure. It never does harm.

The genuine has this picture on it, take no other. If you have not tried it, send for free sample, its agreeable taste will surprise you.
